

COVID-19 Protocols @ CofD

We are implementing the following:

- The COFD Faculty and Staff will wear PPE equipment while in the lobby and common areas - Face Masks (and Gloves if necessary).
- Dancers are encouraged to wear face masks while at the COFD facility.
- The Main Front Door to the studio will remain open during class times, or be opened by a COFD Staff member who will be stationed at the door during class times.
- We will have a table just inside the Main Door where a COFD Staff member will be using a touchless thermometer to take the temperature of everyone that enters the studio. If you are found to have a fever, you will not be allowed into the studio.
- On the table, we will have PPE equipment (Face Masks, Gloves and Hand Sanitizer) available FREE OF CHARGE for anyone who feels that they need such items. Hand Sanitizer will be available throughout the studio as well.
- Classes will let out 5 MINUTES EARLY so that the Instructors have the opportunity to wipe down hard surfaces and common touch areas (Doors, Handles, Barres, etc.).
- After each change of class - while the classes are going on in the studios, the lobby, bathrooms and common areas will be wiped down thoroughly.
- Only One parent may accompany dancers aged 6 & under. All other dancers must be dropped off and picked up.
- Each studio will have markings on the floor laying out areas for each dancer to call their own. This layout will adhere to all social distancing guidelines.
- Dancers will be asked to follow social distancing while in the studio common areas.
- Zoom classrooms will be set up in each dance room for those who will be learning virtually.
